Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On September 29, 2026, the Board of Directors of Roper Technologies, Inc. (the “Company”) elected Mr. Abhijit Dubey, age 52, to serve as a member of the Company’s Board of Directors, effective as of October 1, 2026. Mr. Dubey will serve a term that expires at the Company’s 2027 Annual Meeting of Stockholders.

Mr. Dubey will receive compensation pursuant to the Company’s standard arrangements for directors as described in its Proxy Statement for the 2026 Annual Meeting of Shareholders filed with the Securities and Exchange Commission (the “SEC”) on April 7, 2026.

On October 1, 2026, Mr. Dubey will receive an equity award with a grant date fair value of approximately \$224,583, representing the pro-rata value of a full year non-employee director award of \$385,000. In addition, since Mr. Dubey elected to receive his annual cash retainer in the form of an equity award, he will also receive an equity award with a grant date fair value of \$5,000, representing the pro-rata value of the \$30,000 cash retainer for the first six months of the Board year. In connection with his election, Mr. Dubey will enter into the Company’s standard form of indemnification agreement for directors and officers.

A copy of the press release issued by the Company announcing the election of Mr. Dubey is attached as Exhibit 99.1 to this Current Report on Form 8-K.

Abhijit Dubey joins Roper Technologies Board of Directors

Sarasota, Florida, October 1, 2026 ... Roper Technologies, Inc. (Nasdaq: ROP) announced that Abhijit Dubey has joined the Company's Board of Directors.

Mr. Dubey is Chief Executive Officer and Chief AI Officer of NTT DATA, Inc., a global business and technology services company. He also serves as a Director of NTT DATA Group Corporation, the publicly listed parent company of NTT DATA, Inc. In his current role, Mr. Dubey leads NTT DATA's strategy, growth, and operating performance, as well as the company's enterprise-wide AI strategy and its transformation toward an AI-native operating model.

Prior to his current role, Mr. Dubey served as Chairman and Global Chief Executive Officer of NTT Ltd. Before joining NTT, he spent more than 20 years at McKinsey & Company, including as a Senior Partner, where he was a core leader of the firm's global Technology, Media, and Telecommunications Practice and founded McKinsey's cloud computing practice.

"Abhijit's experience leading a large, global technology organization through an AI-driven transformation makes him a great fit for our Board," said Neil Hunn, Roper Technologies' President and CEO. "His perspective on enterprise software, AI adoption, and scaling technology businesses globally will be a valuable addition as we continue to grow our portfolio of vertical market software and technology enabled product businesses."

"Abhijit brings a rare combination of large-scale operating experience with technology and AI leadership to our Board," said Amy Woods Brinkley, Roper Technologies' Board Chair. "We are confident that his background will support Roper's governance as we continue to execute on our long-term strategy."
